Smart Cities INDIA EXPO

For the past three decades, the expo has been at the forefront of India's digital revolution – showcasing India's emerging role as a leader in technology and a force for good in the world. The expo serves to amplify opportunities and provide a platform to engage with leaders from government and industry to chart a course for the future.

AI BHARAT EXPO

The first edition of AI Bharat will be held alongside the 32nd Convergence India & 10th Smart Cities India Expo 2025. The Convergence India platform promotes the best technological advancements in the Indian ecosystem and showcases their rising popularity in global markets.

AI Bharat provides the perfect stage for you to showcase your AI solutions to a global audience. As a hub of innovation, AI Bharat 2025 is the place to experience the future of technology as it happens. The expo is set to be the epicentre of the AI revolution, providing a significant platform for companies to demonstrate their capabilities. Explore how advancements in AI are reshaping industries and discover potential collaborations to enhance your market position.
